

Antonio Camarda

Associazione Italiana di Coniglicoltura Scientifica – ASIC

Associazione
Scientifica
Italiana di
Coniglicoltura

Sezione Italiana della
World Rabbit Science Association

ASIC – What is it?

ASIC
is the Italian Branch
of the
**World Rabbit Science
Association (WRSA).**

ASIC – What is it?

- ASIC is an Association of
 - Scientists
 - Veterinarians
 - Rabbit producers
 - Technicians
 - of rabbit companies
 - of Pharmaceutical companies
 - feed companies

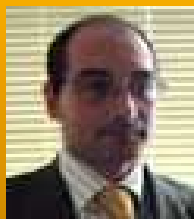

Operating in the field of rabbit husbandry for meat production

ASIC – The Executive Board

President

Antonio Camarda
University of Bari

Secretary - Treasurer

Angela Trocino
University of Padova

Research Sector

Massimiliano Petracci
University of Bologna

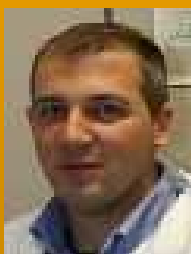

Alessandro Dal Bosco
University of Perugia

Technical Sector

Andrea Frabetti
Martini

Luca Bano
Istituto Zooprofilattico
delle Venezie

Ivan Toschi
University of Milan

Andrea Zuffellato
Veronesi Verona spa

How many we are?

70 Members

ASIC is currently the National Branch of WRSA
with the largest number of members

ASIC – The Mission

- 1** To **promote** the exchanges of knowledge and experience in the various branches of Rabbit Science as:
 - production
 - processing
 - marketing
 - research
 - Teaching
 - counseling

ASIC – The Mission

- 2 To promote the diffusion of knowledge in all relevant sectors of the rabbit world
- 3 To establish relations with
 - The Italian Authorities responsible for the cuniculture
 - The national and international organizations involved in the rabbit production, medicine and research.

ASIC – The Mission

4

To prepare and organize the participation in congresses, exhibitions, conferences, conventions pertaining to the field.

ASIC – Activities and Events

★ 9th World Rabbit Congress

Verona, 10-13 june 2008

ASIC – Activities and Events

Congresses

★ ITALIAN DAYS OF RABBIT SCIENCES (Giornate di coniglicoltura)

- ❑ Are held every 2 years in Forlì
- ❑ International Speakers are invited
- ❑ Participation of Italian researchers and technicians
- ❑ Opportunity for discussion on the more significant topics in rabbits sciences

ASIC – Activities and events

Congresses

National ASIC Congress

Monothematic congress

Take place every 2 years at a different location

2010 **EXTENSIVE AND RURAL RABBIT BREEDING AND IMPROVING OF THE MEAT QUALITY. Perugia, 26 march 2010**

2008 **ANIMAL WELFARE AND QUALITY OF RABBIT MEAT.**

ASIC – Activities and Events

FONDAZIONE INIZIATIVE ZOOPROFILATTICHE
E ZOOTECNICHE - BRESCIA

ASSOCIAZIONE SCIENTIFICA ITALIANA
DI CONIGLIOCOLTURA (ASIC)

WORLD RABBIT SCIENCE ASSOCIATION (WRSA)

**CORSO
"PATOLOGIA CUNICOLA"**

Brescia, 8-15-22-29 ottobre 2010

Sede svolgimento del Corso:

Aula "Pierjacomo Ghitti"

Fondazione Iniziative Zooprofilattiche e Zootecniche
Via Istria 3/B - Brescia

Courses

Courses on different topics of Rabbit Sciences are organized every year

- 2010 Specialistic course on diseases of rabbits
- 2009 Course on rabbit Pathology
- 2008 Specialized training course on nutrition and diseases of intestinal tract
- 2007 Specialized training course on Production and Diseases of Rabbit

ASIC – Activities

Consulting and Expertise

- ★ Rabbit Welfare
- ★ Adoption of Zn-Bacitracin in the feed

Asic – Research promoting

2002 Program to improve the quality of management and relationship in the rabbit chain

Dipartimento di Scienze Zootecniche dell'Università di Padova

Sezione di Anatomia Patologia e Patologia Aviaria del Dipartimento di Patologia Animale, Igiene e Sanità Pubblica Veterinaria dell'Università degli Studi di Milano
